[3] Today I'm pleased to announce the launch of TalkingSkull.com, a project many months & hours in the making which has finally reached fruition. Read more about the concept of [the talking skull](#) [4] and what this site aims to achieve. We've got lofty goals and we're bringing you along for the ride! Although the site has been carefully designed and tested, please [let us know](#) [5] if you see anything amiss.

I encourage you to [create an account](#) [6] so that you can become a more integrated member of our community. In addition to a unique identity, having an account confers [more access and other benefits](#) [7] that anonymous users don't have, including [userpoints](#) [8].

If you've got the time, please consider [lending us a hand](#) [9]. In the meantime, have a look around and enjoy!
